WEEK 1: *june 1st-5th*

Howdy, Texas!

Rooted in Where We Are.

Children will explore the culture, landscapes, wildlife, and traditions of Texas through hands-on art, music, storytelling, and sensory experiences. As we learn about the place we call home, children will begin to recognize their community, understand their roots, and celebrate what it means to be a little Texan, nurturing a strong sense of belonging through intentional, joyful learning experiences.

WEEK 2: *june 8th-12th*

Athletes in Action

Learning in Motion!

Children will celebrate the joy of movement through obstacle courses, cooperative games, yoga, and outdoor challenges filled with energy and laughter. As they run, jump, stretch, and play together, they will build coordination, confidence, and teamwork. This week encourages healthy habits, perseverance, and joyful summer fun, reminding children that strong bodies help us grow, explore, and shine.

WEEK 3: *june 15th- 18th*

Dino Kingdom

Where Curiosity Roars!

Children will step into a world of prehistoric wonder as they explore dinosaurs through sensory digs, imaginative play, art projects, and outdoor adventures. As they uncover "fossils," compare sizes, and create their own dino stories, they will strengthen observation skills, creativity, and collaboration, discovering that curiosity is the greatest adventure of all.

WEEK 4: *june 22nd- 26th*

Space Explorers

Wonder Beyond the Stars!

Children will journey beyond the stars as they explore planets, constellations, and the wonders of space through art, light exploration, building challenges, and imaginative play. As they ask big questions about the universe, they will strengthen critical thinking, creativity, and collaboration, learning that exploration begins with imagination.

WEEK 5: *june 29th- july 3rd*

When I Grow Up

Little Minds, Big Possibilities

This week invites children to imagine their future selves through role-play, collaborative projects, and meaningful conversations about community and purpose. As they explore different paths and possibilities, they will strengthen language, confidence, and self-awareness, understanding that who they are becoming begins with who they are today.

WEEK 6: *july 6th-10th*

Camp Out Adventures

Nature is Our Classroom

Children will embrace the spirit of the outdoors through tent-building, nature walks, gardening, water play, and hands-on exploration. As they observe, collect, build, and create, they will strengthen problem-solving skills, collaboration, and resilience, discovering that some of the best learning happens under the open sky.

WEEK 7: *july 13th- 17th*

Superhero Academy

Every Child Has a Superpower

Children will discover their inner superhero through storytelling, creative costume-making, cooperative "missions," and imaginative play. As they explore bravery, empathy, and teamwork, they will build confidence, emotional awareness, and problem-solving skills, learning that true superpowers come from kindness, courage, and working together.

WEEK 8: *july 20th-24th*

Wild Safari

Learning from the Wild

This week invites children to journey across jungles, savannas, and forests through imaginative play and hands-on exploration. As they investigate patterns, textures, and animal behaviors, they will strengthen curiosity, collaboration, and respect for the natural world, celebrating a summer filled with adventure and discovery.
