# A MESSAGE FROM OUR FOUNDER

## Welcome to Mia Mia New School Year

Dear Families,

As we begin this new school year at Mia Mia, my heart is filled with deep gratitude and excitement. Whether you're stepping into Mia Mia for the first time or returning for another year of wonder—welcome.

This year marks a new chapter in our journey—a journey built on love, trust, and the shared commitment to creating a magical place where childhood can unfold. Each family makes this place so special, and we feel honored that you've chosen to be a part of it.

At Mia Mia, our mission is more than education—it's about crafting an environment where your child feels they belong, safe to discover the world by being who they are, and free to become their best self through meaningful connections with nature and others. We believe childhood should be filled with wonder, joy, connection, and discovery—and that it's not a journey we take alone, but one we share in partnership with you. We know that leaving your child in someone else's care is a profound act of trust. Please know that at Mia Mia, your child will be deeply cared for—seen, heard, and loved. Our team is committed to creating a space where every child feels safe, empowered, and free to who they are. Together, we will build a foundation that honors the magic of these early years. We are here to collaborate with you, celebrate your child's milestones, support their growth, and hold space for their dreams.

Thank you for being part of this beautiful community. Let's make this year a memorable one—filled with laughter, growth, friendship, and a shared commitment to giving your child the very best of childhood.

With love and gratitude,

*Mariana Villarreal*

## MIA MIA'S MEAL PROGRAM

*healthy meals, happy kids*

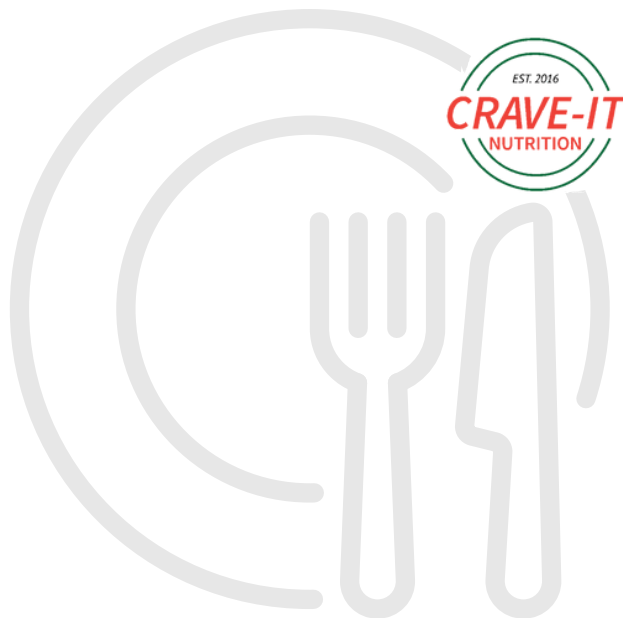

We're excited to continue offering Crave It—our preschool's trusted catering partner—for the upcoming school year!

**If you are new to the school, you can opt-in for this option on your application packet. Otherwise, by selecting this option in your re-enrollment form,** your child will receive daily snacks and lunch that are not only nutritious and delicious, but also thoughtfully prepared with care for our planet.

To help us keep building sustainable habits—and support the health of our children and the care of our planet—this school year we're **replacing all plastic packaging with compostable containers.**

We kindly ask that families **send a reusable set of utensils in their child's lunchbox each day.**

Choosing Crave It means one less lunchbox to pack and the peace of mind that your little one is getting balanced meals every day at school. Let's nourish their bodies while supporting habits that make a difference.
